

Is your insurance ready to go to college with your student?

Make sure the car, expensive electronics and other belongings are protected on and off campus.

Is your student taking a car to school?

Either way, it's important to keep your student on your policy.

Yes

Tell your agent the car will be garaged at a new location.

No

If your student's college is more than 100 miles from home, you may qualify for a discount on your insurance coverage.

Tip

You may qualify for a Good Student Discount

Are your student's belongings covered?

Parents have State Auto® home insurance

Belongings in a dorm or an off-campus apartment may be covered under parents' policy.

Home insurance is with another provider

Beware of coverage limitations that may exist, especially for off-campus apartments.

Tip

Consider scheduling valuables, like electronics, on your home insurance policy.

Tip

Talk to your agent about a renters insurance policy for your student.
